

EXCITING NEWS FROM THE TAYPORT SCOUT GROUP

37th Fife (1st Tayport) Scout Group Committee are delighted to announce that we have been successful in obtaining a large grant from Fife Environmental Trust towards our refurbishment plans.

We cannot thank you enough for the support you have given us through your survey completion, financial and letters of support. Your help will enable us to undertake major refurbishment to the exterior of the Scout Hall in the summer of 2018 along with a few other cosmetic changes.

Our next objective is to secure funding for our toilet facilities, roof and general cosmetic changes to the interior floor and grounds.

We will keep you up to date regarding the refurbishment programme and celebratory plans.

Thank you again for your support.
