Declarations of Interest D Myles – Foodbank , Rhona McCallum , Ewen MacDonald

Discussion with Attendees on Masonic Lodge Application for License Variation and New Co-op site

Miss Rhona McCallum addressed the Council regarding the above Application . Raising points such as only neighbours with property 4 metres from the Lodge were informed by Fife Council , that there are potential issues regarding noise and parking and concerns over the extension of the licence and to include admitting non members , extended hours , providing bar meals etc .

Mr David Bayne replied for the Lodge , reporting that they were switching from an occasional license to a full licence at the advice of Fife Council , there was no intention to change to full time hours .Their intent is to give flexibility to allow them to host events/functions to meet demand .Issues of noise have been addressed. The licensing Board have inspected the venue and Council sound engineers will be attending the first event to monitor sound levels

It was asked what was the intent behind the change of licence was . Mr Bayne said for financial reasons , so events such as funerals can raise money to help keep the building going .Extra measures are in place , no parties for under 25s , except childrens parties ., they will not run an off-licence service and signage for no bottles or gasses outside. The full license has a single license holder so comes with more accountability.. Mr Bayne asked for this information be included in our Minutes .

Lesley asked if there had been any response from Fife Council to the resident petition against the resiting of the Co-op in Queen Street .But no response so far She added that photos had been added to the application on the planning site , seemingly to make King Street look quieter and wider and photos of an unknown building . Could we speak to the Co-op .was asked .There were concerns that if a suitable new site they may close the existing one completely . It was proposed and passed that that the Co-op be invited to send a representative to our July Meeting

Matters Arising from AGM

- 1 Co-op Petition sent on to Fife Council
2. Floral Grant has been paid and receipt received
3. Draft Minutes to be issued before next meeting would require a change in Council Constitution as at

present minutes must be agreed at the following meeting ..Resident attendees were in favour of draft of minutes being posted early. Motion raised for change in Constitution to allow the early posting of minutes in draft form , 5 votes in favour , motion passed .

4. Cemetery- Secretary spoke with the relevant department and they are to send out staff to continue Maintenance work.
5. Christmas lighting – no updates on funding bids . Bid/tender to to be put in on electrical connection for Lights . Could lights on trees be an option ? Sponsorship scheme planned for businesses/individuals to sponsor a light (Light up Tayport) .
