

TAYPORT TALKS BACK

Your community. Your voice. Our future.

What is Tayport Talks Back?

Tayport Talks Back is a community project to help shape the future of Tayport by bringing people together to create a Local Place Plan.

The Plan will look at what Tayport is like now and what we want it to be like in the future.

It will cover a range of topics like housing, activities and services for young people, communications, green spaces and active travel routes.

Why does a Place Plan matter?

A Local Place Plan is made with local people, not just for them. It brings together people's hopes, ideas and concerns about the place where they live.

When it is complete, the plan can be registered with Fife Council. It must then be considered in relevant planning processes. This gives Tayport's community influence on planning decisions by showing what matters to local people.

It would also support Tayport community organisations in developing their projects.

Who is writing the Plan?

Tayport Community Council is setting up a volunteer community Steering Group to lead the work. With help from volunteers they will ask everyone in the community to give their views and ideas.

What could be in the Plan?

Anything that you think will make Tayport a better place to live, work and visit.

The plan may include:

- What you want Tayport to look like in 10 years' time.
- Which useful local services, initiatives and facilities should be kept going and what new ones can be added.
- What kinds, quality and number of new homes we need in Tayport
- Actions that could help Tayport respond to climate change and become a better place for everyone.
- Big ideas to help make Tayport a great place to live for all.

Why should I get involved?

This is a chance to help shape the future of Tayport for ourselves, our friends and family, our grandchildren and beyond.

Tayport was shaped by local residents that came before us. Let's protect and grow that legacy together.

We know our community and what matters in everyday life here. By sharing your ideas, you can help show what should be protected, improved or changed.

Will my idea be in the Plan?

We want to hear as many ideas as possible. There will be different views because Tayport is home to many people. The Steering Group will look at what people say and work towards a plan that reflects local hopes and needs. They will include ideas with the most benefit and impact for all.

When will the Plan be ready?

We are aiming to have it completed in Summer 2027.

How can I have my say?

The first step is our **3 Wishes for Tayport** survey (open till 31 Dec 2026).

Tell us three things you would like to see for Tayport. Your wishes can be big or small.

- Complete the online form at <http://tayport.org.uk/ttb> **OR**
- Use a 3 wishes postcard available at select places across Tayport

Other ways to get involved

- Join the community Steering Group and help guide the plan.
- Help with activities to hear from people across Tayport.
- Keep up to date through: Project webpage: tayport.org.uk/ttb,
- Tayport Community Council Facebook page, the project newsletter
- Come along to community events to share your views
- Encourage others to take part.

How can I get in touch?

To find out more, help with the project or ask about joining the Steering Group, email: tayporttalksback@gmail.com
